

GUIDELINE FOR CHURCH PULPIT

The pulpit is important for worshiping in spirit and truth. Brothers or sisters in Christ invited to the pulpit should demonstrate to deacons in two counts:

- 1) Sound faith and doctrines, and
- 2) Concerns of the spiritual welfare of this church.

A Pulpit Committee (or the Worship) should schedule the pulpit at the beginning of each year in an orderly manner. Deacons should have the responsibility to authenticate the integrity of the speaker and the content of the message.

Honorarium to the speaker should be handled in a respective manner. The church treasurer should provide assistance to individuals interested in redistribution of their honorariums.
